Off Everything Else

A woman with long brown hair, wearing a black sports bra and black leggings, is riding a stationary bike in a gym. She is looking towards the camera with a slight smile. The background is slightly blurred, showing gym equipment and a brick wall. A man in a green shirt is partially visible on the right side of the frame.

Welcome to Club 7

An Unprecedented Experience of Fitness and Well-being.

Club 7 was created to be different. While others were opening gyms, we built a club. While the focus was on caring for the body, we began caring for the mind as well. When health was the topic, we brought in well-being.

Club 7 offers an unparalleled experience nationwide. A social club where you can find everything to escape the urban routine. An exercise area, CrossFit box, and group classes. Swimming pool, tennis and paddle courts, Pilates studio, and a members work lounge. Spa and daycare.

As a "second home" for many, our members can work out, relax, socialize, enjoy meals, in the reserved cafeteria with a terrace or have a drink at our Padel Bar, attend exclusive events and take advantage of our members work lounge. Club 7 also can become an asset when thinking of planning an event, with its dedicated team and available spaces, hosting a corporate or private event will be much easier.

The luxury of choice.
#OffEverythingElse.

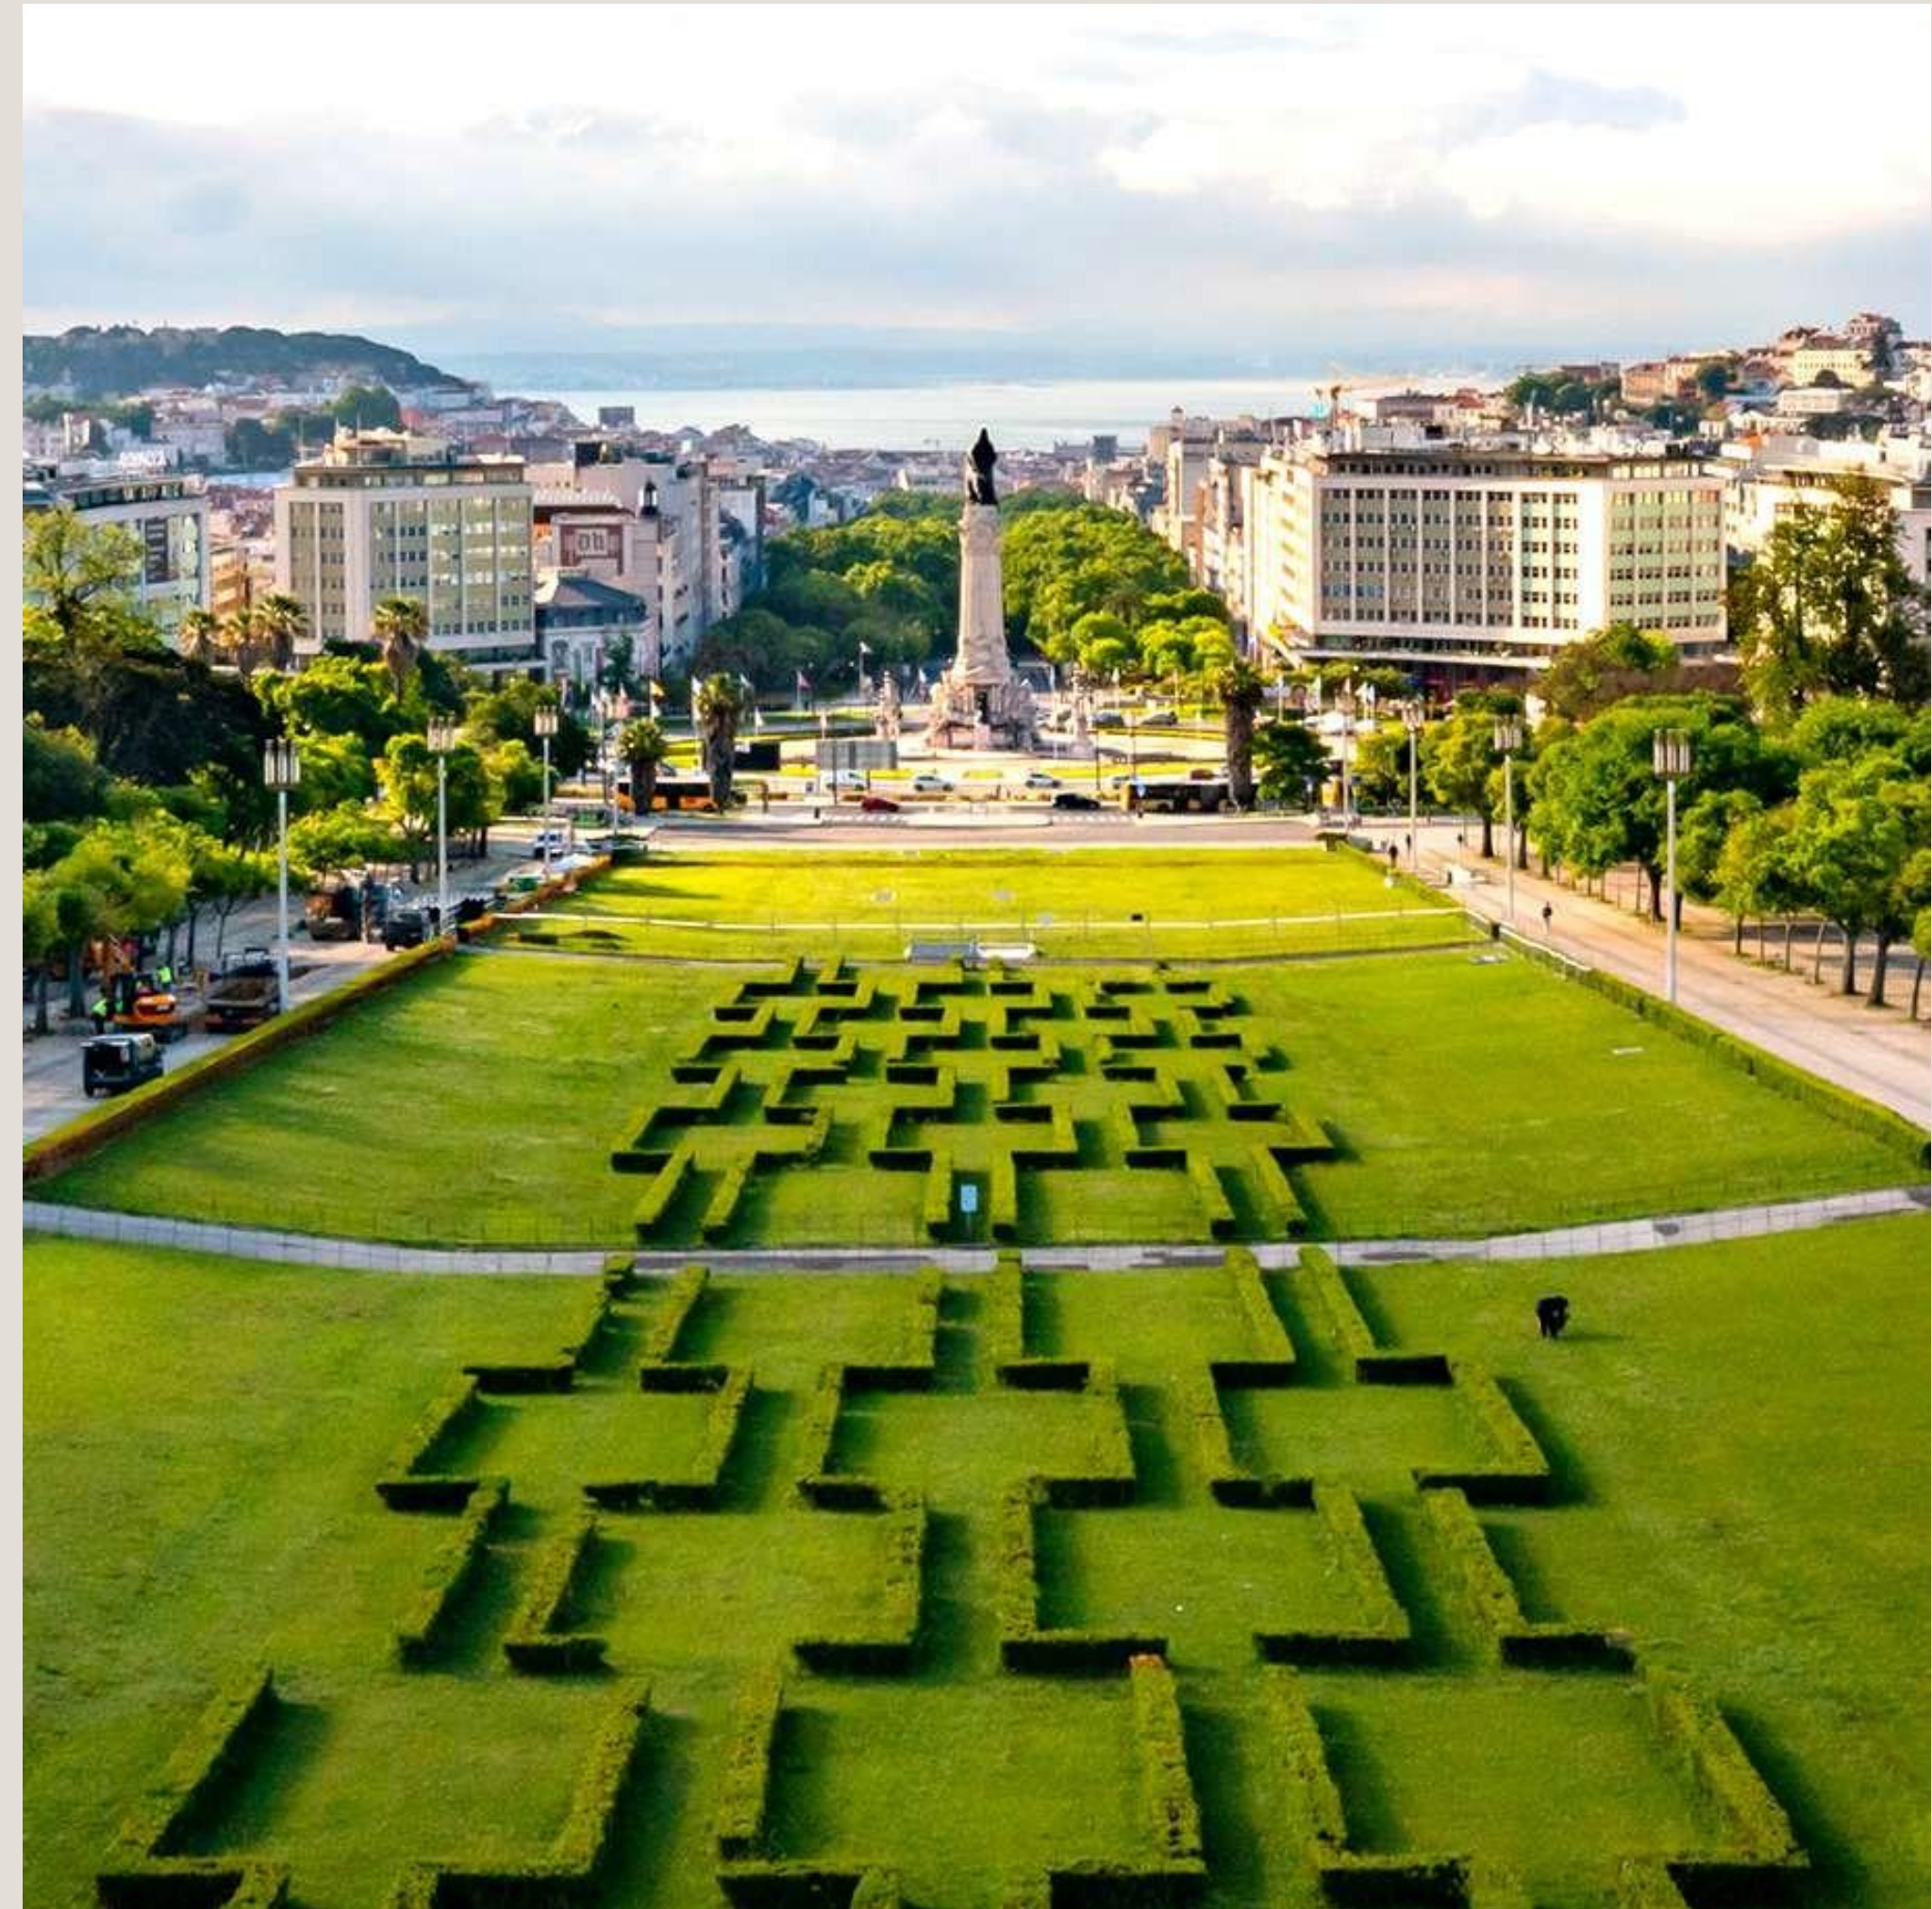

Parque Eduardo VII

Since 1906, the park has been a highlight in the heart of Lisbon.

It is known for its rich tones of green, well-maintained gardens, and unique city views.

The Club 7 project was designed to reflect the essence of its location and bring out the best of the surrounding nature. It is more than just sports; it is a social club.

Exclusivity has a number: 7.

Our Mission

Our Core Value

The sense of belonging.

Everything we do is ultimately aimed at promoting a comfortable and safe environment. We want our members to feel like they're at home.

Our members

Our members choose to live in a vibrant and timeless Lisbon and take pleasure in knowing that they have elected the best the city has to offer for themselves.

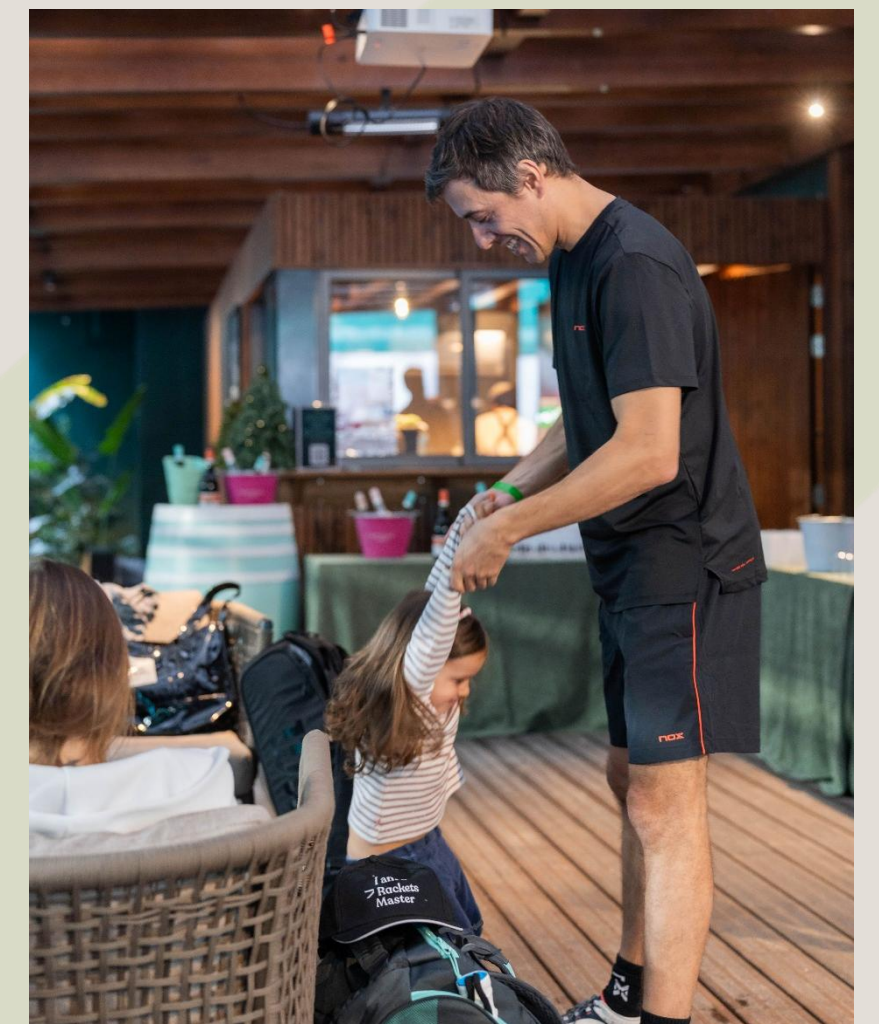

They are affluent, urban, with a taste for sports, fitness, and enjoy spending time in caring for their health and well-being. They are active professionals with prominent careers who desire to find moments of relaxation, socializing, and unwinding among friends and with their families.

To choose to be a part of this Club is to choose to live the best of each day, every day.

Endless possibilities

We provide spaces that aren't just full of people. They have flavour, laughter, emotions and memories. This isn't an events proposal: it's an experience proposal. A possibility where every gathering becomes a celebration, where every experience has its own story.

We create the best

successful
